Space Monument Contest

Challenge:

Create a space themed monument on 3D CAD drawing. A monument can be a statue, building or other structure designed to commemorate a notable "Woman in Space".

Rules & Guidelines:

1. The competition is open for public (students, architects, hobbyists etc. of all ages)
2. The monument design can be a 2D sketch drawing or 3D computer aided drawing
3. Any material, scale and color can be used for the monument
4. The monument must depict relevancy with space.
5. The judgement will be based on creativity, design, relevancy, material selection, practicality, sustainability and novelty
6. Logos of SUPARCO and WSW must be displayed and clearly visible on the monument design. Any entries without the logos will be subject to disqualification
7. Submit monument design artwork as 2-4 image files (JPEG/PNG etc.) showing front view, top view, side views etc. along with the submission form at wsw.sead.pakistan@gmail.com before the deadline.
8. Last date for submission is **23 Oct 21.**

How do I win?

To be eligible for winning the competition, the challenge and submission requirements must be met as per details mentioned above.

Judging Scorecard

The judging panel will rank the submitted entries using the following Judging Scorecard:

Metric	Weightage
Challenge fulfillment as per rules and guidelines	50%
Creativity, design, relevancy, material selection, practicality, sustainability and novelty	25%
Submission as per format and form	25%
