Space Photoshop Contest

Challenge:

Create a sci-fi space background with planets, spaceship or nebulae and Photoshop your face in a spacesuit floating in space.

Rules & Guidelines:

1. The competition is open for public (students, hobbyists etc. of all ages)
2. Any space related background maybe used by participant to photoshop his/her own picture in it
3. The space environment used as background must be a real photo of space; fictional or animated space background cannot be used.
4. Any software can be used for editing.
5. The photo-shopped pictures will be judged on the basis of creativity, photoshop skills, and thematic relevancy
6. One participant can send only one entry
7. Logos of SUPARCO and WSW must be displayed and clearly visible on the bottom right or upper right corner of the photoshopped image. Any entries without the logos will be subject to disqualification
8. Image courtesy/reference must also be mentioned in case of copyright image.
9. The entry may be submitted at wsw.sead.pakistan@gmail.com as 1-2 image file(s) (JPEG/PNG etc), along-with the submission form
10. Last date for submission is **23 Oct 2021**

How do I win?

To be eligible for winning the competition, the challenge and submission requirements must be met as per details mentioned above.

Judging Scorecard

The judging panel will rank the submitted entries using the following Judging Scorecard:

Metric	Weightage
Challenge fulfillment as per rules and guidelines	50%
